

FEBRUARY/MARCH 2005
BEAUTIFUL BOW BROOCH

Figure 1 on page 61 is misnumbered. Here is the corrected figure:

To correlate with this new diagram, Step 11 should read:

Step 11: Line up the two filigrees evenly, wrong sides together. Make sure the pin clasp on the back filigree is nearer to the top of the bow than to the bottom. Pass the four wires from the wrong side of the front filigree through the same holes on the back filigree (the NINTH and tenth holes). Wrap each wire...
