

12 Use the left needle to string 1E, 1 indicolite bicone, 1E, 1C, 1 chrysolite bicone, and 1C. Use the right needle to string 1D, 1 erinite bicone, and 1D, and pass back through the C, chrysolite bicone, and C strung on the left needle.

13 Use the left needle to string 1G, 1A, 1 Pacific opal rondelle, 1A, 1G, 1C, 1 chrysolite bicone, and 1C. Repeat Step 11.

14 Use the left needle to string 1D, 1 erinite bicone, 1D, 1C, 1 chrysolite bicone, and 1C. Use the right needle to string 1E, 1 indicolite bicone, and 1E, and pass back through the C, chrysolite bicone, and C strung on the left needle.

15 Use the left needle to string 1F, 1E, 1 indicolite rondelle, 1E, 1C, 1 chrysolite bicone, and 1C. Repeat Step 11.

16 Repeat Steps 10–15. Set aside.

17 Repeat Steps 1–9 using the other half of the clasp.

18 Use each needle to string 1A, 1 Pacific opal bicone, and 1A. Pass the left needle through the last C, chrysolite bicone, and C strung in Step 16. Pass the right needle back through the same three beads (Figure 2).
