

**STEP 2:** Place the ribbon ends together at a right angle. Begin a new thread join with a row of  $3 \times 1$  units of 4mm garnet and 2mm garnet beads, then continue as a new row along the inside edge to the middle of the back (Figure 2).

**STEP 3:** Start another row of 4mm and 2mm garnets and continue it around the outside edge to the middle back. Check all your knots to ensure they're concealed tightly inside the beads, then trim the thread ends.
