

Intarsia in the Round

Round 1: Following the chart knit across the patterned area as normal, using both colored yarns.

Round 2: Work up to the patterned area as normal. Then, when knitting the motif, knit only the stitches of the main color and slip the pattern stitches (in the second color) purlwise onto the right-hand needle; these slipped stitches remain unknitted.

At the end of the patterned area, turn the work around so that you are now at the same place as you left the patterned yarn.

On the wrong side, purl, the stitches that were left unknitted from the previous round, with the pattern yarn only.

When the pattern is completed, turn the work again so that the right side is now facing you.

Now, slip the main color and pattern stitches across the motif and knit to the end of the round as normal.

Round 3: Work the motif as described in round 2 using both colors and then continue as normal with the main color until the end of the round.

Increases

Raised Make-One

Note: Use the left slant if no direction of slant is specified.

LEFT SLANT (MIL)

With left needle tip, lift the strand between the last knitted stitch and the first stitch on the left needle from front to back (**Figure 1**), then knit the lifted loop through the back (**Figure 2**).

RIGHT SLANT (MIR)

With left needle tip, lift the strand between the needles from back to front (**Figure 1**). Knit the lifted loop through the front (**Figure 2**).

Decrease

Muhu Decrease

Knit two stitches together wrapping the yarn around the right-hand needle clockwise (from the back, under and then over the needle) to twist the stitch. Knit the next stitch wrapping the yarn around the needle in the normal way. Pass the twisted stitch over the knitted stitch. Two stitches are decreased.
