for ties

### *tools*

Letter stamp set and black ink  
pad (recommended: Versa-  
Craft)

Blind hem or edgestitch foot  
for sewing machine (optional)

## *placemat & napkin* SET

As crazy as it sounds, sometimes I just plain forget the proper order for the utensils when setting the dinner table. I thought to myself, why not stamp the placemats as a clever reminder? No one need ever know that it is more than a charming decoration. Finish off each place setting with a lovely linen napkin, folded and tied neatly with a coordinating cotton tie.
