

cutting instructions

MAIN FABRIC

2 Tie Belt pattern pieces

pattern

1. With right sides together, sew the 2 pattern pieces together with $\frac{1}{2}$ " (1.3 cm) seam allowance along the straight short end. Press seam open.
2. Fold the fabric in half lengthwise with right sides together so the long edges are aligned (Figures 1 and 2).
3. Stitch in place along the three open sides. Leave a 2" (5 cm) opening for turning in the middle of the long edge. Clip the points off the ends to within $\frac{1}{8}$ " (3 mm) of the stitching (Figure 3).
4. Pull the belt right-side out and press all the seams flat. Topstitch in place right over the opening and around the edge of the belt. Pair it with your Boardwalk Shorts!
