Infinity Motif

Stitch Key

- = chain (ch)
- = slip st (sl st)
- ┐ = double crochet (dc)
- ┘ = treble crochet (tr)

NOTES

- The center motifs are worked in rows. Once the center motif is created and sewn into shape the lace border is worked in the round, picking up and joining motifs as you go.
- There are a lot of concentrated increases worked into Round 1 when joining motifs. Don't be concerned if the garment appears overly ruffled on the first couple of rounds. Even after all rounds are completed, the scarf will have a ruffled outer edge.
- Do not remove markers in joining round until the entire round is completed.

WRAP

See Diagram A above for assistance.
